Important:

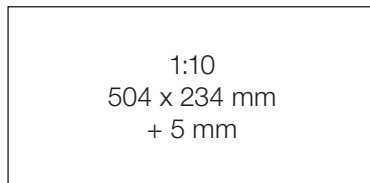

All crucial information should be at least 15 cm from the top and right edges, because weather conditions may cause the paper to expand unevenly and some edges may get trimmed. Fine print and colophones should be positioned on the top or left edge of the poster.

In accordance with the applicable law, Slovene is the official language of advertisements. If a foreign language is used, a Slovene translation must be provided in at least the same size as the foreign language text.

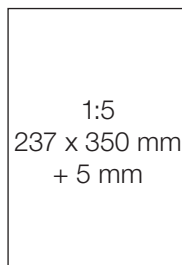

The only exception is the use of a foreign language as part of a registered trademark (e.g. Nike - Just do it, Volkswagen - Das Auto, Intersport - Sport to the people, Ford - Go Further...).

We are not responsible for the content of the advertisement, but we are morally obliged to inform the advertiser of any legally questionable elements in the advertisement as per company policy.
